Author Profile	iii
Acknowledgements	iii
Foreword	v
Preface	vii
Chapter 1: The Case for e-Supply Chains	1
Executive Summary	1
Putting the 'e' in Supply Chains	2
Trends in e-Commerce	4
Trends in e-Supply Chain Management	5
Collaborative Enterprise	6
Overview: Building the e-Supply Chain	8
Key Learning Points	9
Case Study: Cisco Systems	10
Chapter 2: e-Procurement and e-Trading	17
Executive Summary	17
Introduction	18
The Strategic Dimensions of e-Procurement	20
Case Reports: Strategic Dimensions	22
<i>Case Report: Royal & SunAlliance – Planning an e-Procurement Project</i>	22
<i>Case Report: Credit Suisse First Boston – Implementing e-Procurement to Reduce Supply Chain Costs</i>	23
<i>Case Report: Cisco Systems – Migrating to e-Procurement</i>	24
Using e-Procurement Tools	26
e-Catalogues	26
On-line Auctions	27
Case Reports: e-Procurement Tools	27
<i>Case Report: Cataloga – Third-party e-Catalogue Management</i>	28
<i>Case Report: Novar – Reverse Auctions</i>	29
<i>Case Report: Flextech International – Using the Internet to Research Supply Markets</i>	30
B2B Trading Exchanges	31
Case Reports: B2B Exchanges	32
<i>Case Report: General Motors Europe – Taking Procurement On-line and into Covisint</i>	33
<i>Case Report: NexPrise – e-Procurement Infrastructure</i>	35
<i>Case Report: Transora – Migrating to X2X: Exchange-to-Exchange Trading</i>	36
Overview: A Revolution in Progress	36
Key Learning Points	37
Case Study: Novar	39
Case Study: Shell	46

Chapter 3: The Challenge of e-Commerce and e-Fulfilment	53
Executive Summary	53
Introduction	54
Planning an e-Fulfilment Channel	55
Case Reports: Channel Planning	57
<i>Case Report: Intel – Implementing Customer e-Business</i>	57
<i>Case Report: Gateway Inc – Call, Click or Come In</i>	59
<i>Case Report: GroceryWorks – Home Deliveries the Dallas Way</i>	59
e-Enabled Channel Management	61
Case Reports: Channel Management	63
<i>Case Report: ufulfil.com – Global e-Fulfilment Team</i>	63
<i>Case Report: Interbrew UK – Serving Beer On-line</i>	65
<i>Case Report: Federal Express – The Ties that Bind</i>	66
The Last Mile of Delivery	67
Case Reports: Last Mile Delivery	69
<i>Case Report: Fastrack – Entering the Home Delivery Market</i>	69
<i>Case Report: Superdrug – Outsourcing e-Commerce Home Deliveries</i>	70
<i>Case Report: Homeport – Thinking Out of the Box</i>	71
Overview: Realizing the Potential of e-Commerce	72
Key Learning Points	72
Case Study: Express Dairies	74
Case Study: Gateway Computer	81
Chapter 4: Creating an Intelligent Supply Chain	87
Executive Summary	87
Introduction	88
Supply Chain Synchronization	89
Collaborative Planning, Forecasting and Replenishment (CPFR)	90
Build-to-Order	90
Supply Pipeline Visibility	91
Case Reports: Supply Chain Synchronization	92
<i>Case Report: Tesco – Trading Information Exchange</i>	92
<i>Case Report: Zara – Fashioning Supply Chain Synchronization</i>	93
<i>Case Report: Tibbet & Britten – Using RFID Tagging Technology</i>	94
<i>Case Report: Parcelforce Worldwide – Parcel Tracking System</i>	95
Developing the Infrastructure	96
Enterprise Systems	96
Enterprise Application Integration (EAI)	98
Business Process Alignment	98
Case Reports: Developing the Infrastructure	99
<i>Case Report: Celestica – Cherry Picking Best-of-Breed Applications</i>	99
<i>Case Report: Cemex – Building an Intelligent Infrastructure</i>	100
<i>Case Report: Oracle – Eating its Own Dog Food</i>	102
<i>Case Report: Dow Corning – Modelling Supply Chain Processes</i>	102
Web-enabled Customer Interaction	103
Managing an e-Commerce Site	103
Product Configuration	104
Case Reports: Customer Interaction	105
<i>Case Report: Intel – Multi-audience e-Business Capability</i>	105

<i>Case Report: Amazon.com – Making On-line Buying Easy</i>	107
<i>Case Report: Dell Computer Corporation – Using Premier Pages</i>	108
<i>Case Report: Cisco Systems – Cisco Connection Online (CCO)</i>	108
Overview: Learning to Think	109
Key Learning Points	110
Case Study: Unipart	112
Case Study: Interbrew UK	119
Chapter 5: Network-centric Supply Chains	127
Executive Summary	127
Introduction	128
Migrating to the New Enterprise Model	130
Case Reports: Migrating to the New Model	132
<i>Case Report: Dell Computer Corporation – The Power of Virtual Integration</i>	132
<i>Case Report: Adaptec – Project A2000</i>	133
<i>Case Report: Biogen – Building a Value Network</i>	134
Designing a Value Network	135
Infrastructure Issues	136
Strategic Capability Issues	136
Case Reports: Designing a Value Network	137
<i>Case Report: OXiGENE – Designing Value Networks</i>	137
<i>Case Report: Ingram Micro – Redrawing Supply Chain Boundaries</i>	138
<i>Case Report: Solectron – Global Production Facilitator</i>	140
Managing a Value Network	141
Case Reports: Network Management	142
<i>Case Report: Cisco Systems – Getting Net Ready</i>	142
<i>Case Report: SOHO Inc – Creating a Virtual Enterprise</i>	144
<i>Case Report: Li & Fung Trading – Global Supply Chain Co-ordinator</i>	144
Overview: Meeting the Challenge	145
Key Learning Points	146
Case Study: OXiGENE	148
Chapter 6: Rethinking Supply Chain Management	155
Executive Summary	155
Towards Collaborative Enterprise	156
Rethinking the Agenda	157
Supply Chain Focus	158
Procurement and Trading Relationships	158
e-Commerce and Order Fulfilment	159
Information and Process Infrastructure	160
Enterprise and Network Structure	161
A Quiet Revolution	162
Appendix 1 – Survey Results	163
Appendix 2 – Listings	179
References	181
Index	185
